Bank Account

We use Plaid in order to validate and link your bank account to your registered Customer Web Portal account. Please click the button below if you would like to start this process. Note that, depending on your Financial Institution, there may or may not be a micro deposit verification step before you can use your bank account to make a payment. This validation process is only required once unless your bank account information is changed, at which point you will be required to validate your new account.
